OUR 59th YEAR!!

DIRECTIONS TO RACE:
I-280 TO RT.2/NAVARRE AVENUE EXIT
US 2 EAST TO NORTH CURTIS ROAD, TURN LEFT (NORTH)
AND FOLLOW ROAD TO THE PARK.

PLEASE READ -WARNING FROM THE RACE DIRECTOR AND HEAD LEPRECHAUN!

Let's be honest about this race for a moment. This race has the absolutely worse weather of any outdoor event not only in the Midwest, but perhaps in the entire US (of course I have not done that Ultra marathon in Death Valley, so I could be wrong). Due to the time of year and the unique positioning of Maumee Bay State Park right on the shore of Lake Erie, the running conditions border on being suicidal! Expect Gale Force Winds, Snow, Sleet, Rain, Freezing Temperatures, Icy & Snow covered Roads, swarms of locusts, and the four horsemen of the apocalypse, all in the same 4.34 mile course. This race makes running a marathon look really easy!!!! If you had a brain in your head, you would run screaming from this entry form, but as I know you will not, don't come complaining to me on race day about the weather. Oh, by the way the four horsemen don't get scored in the age groups, so that is at least one positive thing. YOU HAVE BEEN WARNED! Don't even think that I cancel this race for any of the above conditions, just get your snow shoes and survival gear ready and pay up the life insurance before you come! Now back to the entry form.
