

GrowingHopeFarms

Mission: Our Mission at Growing Hope Farm is simple: to allow adults with developmental disabilities to be as independent as possible through structured, daily programming. Founded by the Cole family and built with outstanding and continued support from the community, Growing Hope Farm is different from anything you have ever seen before.

Animals

Animals! Everyone's first thought when they think of a farm and Growing Hope Farm does not disappoint! Our current family starts with our two dogs, Andy and Annie, and includes 10 Goats, 40 chickens and 2 cows! All these animals come with many daily responsibilities. Our "farmers" will assist the farm staff with the daily responsibilities to ensure each animal always has what they need!

Art

Growing Hope Farm isn't just a place to pet animals. Our on-site art studio is equipped for classes as large as 15 people. Our "farmers" will enjoy classes of everything from painting and drawing to working with clay and many other arts & crafts.

Community

Growing Hope Farm could not be possible if not for the community. From building structures to putting up fencing, volunteers have been vital to our formation. Sign up for our monthly email newsletter to get up-to-date information on volunteering opportunities!

Race registration is fast and easy; simply scan here with your smart phone or tablet and you can register today!

Waiver

In consideration of the acceptance of my entry in the Trick or Trot 5K and Zombie Walk, I hereby for myself, my heirs, executors and administrators, waive and release any and all rights and claims for any damage and losses which I may have against the employees of Walgreens, the Shops at Fallen Timbers, and any persons or organizations connected with this event, from all responsibility for any injury to person or property traveling to, participating in, and returning from this event. I am aware that I may be running on a physically challenging course, in potentially adverse weather conditions including heat and/or humidity that could test my physical limits and carries with it potential for death and serious injury. I certify that I am physically fit and have trained sufficiently to handle the course and adverse weather conditions, should they occur.
