

### TOLEDO ROADRUNNERS CLUB COMMUNITY GRANT PROGRAM

Each calendar year the Toledo Roadrunners Club will earmark an amount of money to be available to be awarded as grants through the TRRC Community Grant Program. The amount to be earmarked as available grant funds will be determined by the Executive Committee and approved by the TRRC at the first meeting of the calendar year.

The earmarked grant funds will be available to be awarded to programs or organizations aligned with the TRRC's constitutional purpose which is "to educate Club members and the community about physical fitness and health through the sponsorship and promotion of running, physical fitness and other health related events."

Grant requests will be considered twice annually, with postmarked deadlines of March 31 and September 30. Decisions regarding approval or denial of grant award requests will be made no more than six weeks following each postmarked deadline and awarded grant funds will be disbursed within two weeks of the decision to grant the request.

Each grant request must be sponsored by a TRRC member. Sponsorship of the grant request will be demonstrated by the TRRC member's signature on the grant request.

Grant requests will be reviewed by the TRRC Grant Committee which will be comprised of the TRRC Members at Large and TRRC President. The Grant Committee will nominate grantees and make a recommendation to the TRCC Executive Committee for final approval of the grant awards. In making its recommendations, the Grant Committee will consider the past contributions to the TRRC that have been made by the sponsor of the grant request or the organization making the request. The Grant Committee also will consider the requesting organization's commitment to the promotion of running, physical fitness and health.

Grant recipients will be encouraged to promote or advertise TRRC's grant award via display of the TRRC banner at events, use of the TRRC logo on t-shirts, use of the TRRC name on registration or advertising materials, etc.

Grant monies not distributed at the end of the calendar year will not carry over.
