

RACE TIMING/SCORING FEES EQUIPMENT RENTAL FEES

TRRC RACE TIMING/SCORING

Subject to availability. Our all volunteer race team works over 30 events per year. Races we are already timing have priority over new races.

UNDER 300 RUNNERS - COMPUTER TIMED EVENTS/PULL TAGS

Our club offers computer timing to races with under 300 runners.

Preregistered Runners Fees: \$1.00 per runner and race organizer provides data entry into the TRRC Excel template

Race Day Runner Fees: \$2.00 All race day entries

Equipment rental \$125 – In addition to runner fees. Includes overhead clock, computers, software, water jugs, handheld spit timers, starting gun and finish chute.

Provide a T Shirt or other “runner gift” for all TRRC volunteers. Usually about 8 gifts.

OVER 300 RUNNERS - CHIP TIMING

Our club offers chip timing to races with over 300 runners. We have the Chronotrack chip timing system which uses disposable chips. The Chronotrack system eliminates the need to collect expensive chips after your event and charges for lost chips.

Preregistered Runners Fees: \$2.50 per runner if race organizer provides data entry into the TRRC Excel template

\$3.00 per runner if TRRC does data entry

Race Day Runner Fees: \$3.00 All race day entries

Equipment rental \$125 – In addition to runner fees. Includes overhead clock, computers, software, Chronotrack system, disposable chips, water jugs, handheld spit timers, starting gun and finish chute.

Provide a T Shirt or other “runner gift” for all TRRC volunteers. Usually about 8 gifts.

RACE SCORING, PULL TAGS AND CHIP TIMING

TRRC race scoring with pull tags and chip timing includes bib numbers, pins, timing, finish line operation, age group results for announcing winners, overall finishers with times for posting at the race site, electronic form of results within 48 hours of the event and results posted on the Toledo Roadrunner website. We provide volunteers for the finish line/scoring portion of the event. Race sponsor is responsible for course volunteers (including split times, course marshals, water stop, refreshments etc.), registration (TRRC will train and *may* provide 1-2 workers for race day entries, pre race announcements, award ceremony and all other event aspects.

EQUIPMENT RENTAL

This equipment is available for rent if you wish to time your own event.

Printing timer - \$25

Overhead display clock - \$50

Miscellaneous equipment - \$25 Depending on your needs, could include water jugs, handheld split timers, starting gun, finish chute.

All equipment must be reserved well in advance; picked up the week of the event and returned within 2 days of the event.

Included in the equipment rental if TRRC does computer or chip timing. Separately available for rent.

ENTRY FORM INSERT - NEWSLETTER, WEBSITE

Posting of your race info/entry form on our website and/or inserting your entry forms into our newsletter - \$50. We need approximately 1000 8.5” x 11” unfolded forms. Confirm the required number and when they are required with our circulation manager. Contact the webmaster with your race information and provide your entry form in .pdf format.

CONTACT INFORMATION

Current phone numbers and email addresses are listed on our website for our equipment manager, new race coordinator, webmaster and newsletter circulation - www.toledoroadrunners.org/ under Who We Are.
